

CIPP Instructions

CIPP

- CIPP is player insurance through USA Rugby. It's something we have to do. Folks need to CIPP by the first game or we can't let them play or practice.
 - 1st, you have to set up your profile on Rugby Xplorer ("RX"), the new CIPP registration system

 - Go to <https://myaccount.rugbyexplorer.com.au>
 - Enter in your personal email
 - You may see "You don't have a Rugby ID," not to worry as once you enter more details the system will be able to pair you with your imported profile
 - Select sign me up, and you will be redirected to enter in your personal details
 - MAKE SURE that USAR National is selected and not Rugby Australia
 - If you see "We have found some profiles that might be you!" Please select your profile and click continue.
 - You will be redirected to the RX profile homepage
 - 2nd, you must register (aka "CIPP")
 - [Video Walkthrough Linked HERE](#)
 - Choose "Register" in upper left of your RX profile screen
 - Next choose "Play Rugby, Find a Club"
 - Next choose your name
 - At the "Which club would you like to register to?" page, type "PORTLAND RUGBY"
